

Warranty

The solar panels are supplied with a 5 year warrantee from date of purchase against faulty materials and workmanship. This warranty does not cover frost damage, poor water quality, over temperature, over pressurization, abuse or general wear and tear and is replicated to the purchaser as supplied to Energy Conscious Design Limited by their suppliers with no increase or extension of coverage offered or implied. The installation must have been installed as per the latest ECOSOLAR installation instructions by an approved installer or assessed by an assessor as nominated by Energy Conscious Design Limited and have been maintained as per our maintenance schedule by the same.

All other parts supplied are provided with a 12 month warranty against faulty materials and workmanship. These warranties are replicated to the purchaser as supplied to Energy Conscious Design Limited by their suppliers

Note A copy of this completed warranty shall be supplied to Energy Conscious Design within 2 weeks of purchase for the warranty to be effective. Post to PO Box 81049, Whenuapai, Auckland.
